

Agenda for DON and USFWS Consultation
Environmental Building MCBH Kaneohe
23-25 August

Attendees

(b) (6)

(b) (6)

Meeting Goal – *To ensure the Navy fully understands the analysis of the working draft of the Biological Opinion from the USFWS and for Navy to provide new data for the *Tuberolabium guamense* and Mariana eight-spot butterfly.*

Tuesday 23 Aug – Environmental Bldg MCBH Kaneohe

0900 – 0915: Opening Remarks and Introductions

- Welcome & Admin remarks – (b) (6)
- Introductions – All
- Opening remarks – (b) (6)

0915 – 1045: Discussion on Assumptions in the Analysis

- Fire Management Plan (15 min) – Discussion on effect of fire management on the species and habitat
 - USFWS outlines position
 - Navy outlines position
 - Group discussion
- Salvage, captive propagation and outplanting (15 min) – Discussion on concern of methodology and effectiveness/benefit for salvage and propagation
 - USFWS outlines position
 - Navy outlines position
 - Group discussion
- Conservation measures that include to the “maximum extent practicable” (15 min) – Discussion on concern that conservation measures that include to the maximum extent practicable are not reasonably certain to occur
 - USFWS outlines position
 - Navy outlines position
 - Group discussion
- Ritidian ungulate fence (15 min) – Discussion on *Serianthes nelsonii* tree and ISR Strike fencing
 - USFWS outlines position
 - Navy outlines position
 - Group discussion

Agenda for DON and USFWS Consultation
Environmental Building MCBH Kaneohe
23-25 August

- “Notional as it related to host plants and MPMG design (15 min) – Discussion on definition of “Notional” as it relates to the MPMG range
 - USFWS outlines position
 - Navy outlines position
 - Group discussion
- Outplanting in the forest enhancement area (15 min) – Discussion on concerns around the techniques and expected success rates in translocating the Mariana eight-spot butterfly host plants
 - USFWS outlines position
 - Navy outlines position
 - Group discussion

1045 – 1100: Break

1100 – 1145: Discussion on Conservation Measures and how they are addressed in the analysis

- Overview: Discussion on how the conservation measures are addressed in the analysis, including consistency of conservation measures in biological opinions for the Guam relocation
 - Navy outlines position
 - USFWS outlines position
 - Group discussion

1145 – 1300: Lunch

1300 – 1330: Discussion on *Tuberolabium guamense* surveys and analysis

- Overview: Navy has new information and maps from recent orchid surveys
 - Navy discusses new information from recent surveys, including additional mapping (20 min)
 - Group discussion (10 min)

1330 – 1445: Discussion on edge and fragmentation effects for *Tuberolabium guamense*

- Overview: Current analysis provides for a 150m buffer for the *Tuberolabium guamense*
 - USFWS discusses analysis behind edge and fragmentation effects (20 min)
 - Navy discusses new data on edge and fragmentation effects, including additional mapping (30 min)
 - Joint discussion (25 min)

1445 – 1500: Break

1500 – 1530: Wrap up – review action items/decisions

1530 – 1600: Closing comments – (b) (6)

Agenda for DON and USFWS Consultation
Environmental Building MCBH Kaneohe
23-25 August

Wednesday 24 Aug – Environmental Bldg MCBH Kaneohe

0900 – 0910: Opening Remarks and Introductions

- Welcome & Admin remarks – (b) (6)

0910 – 0915: Review meeting minutes from Tuesday – (b) (6)

0915 – 1045: Discussion on Mariana eight-spot butterfly

- Overview: Mariana eight-spot butterfly
 - USFWS discusses analysis behind Mariana eight-spot butterfly (30 min)
 - Navy discusses new data on Mariana eight-spot butterfly (15 min)
 - Joint discussion (30 min)

1045 – 1100: Break

1100 – 1200: “Effects of the Action” and “Cumulative Effects” sections on -

- Cycas micronesica
- Dendrobium guamense
- Heritiera longipetiolata
- Tabernaemontana rotensis
- Bulbophyllum guamense
- Psychotria malaspinae
- Eugenia bryanii
- Overview: The analysis for the above seven species are not included in the analysis
 - USFWS outlines position (20 min)
 - Navy outlines position (10 min)
 - Group discussion (30 min)

1200 – 1330: Lunch

1330 – 1400: Discussion on Incidental Take Statement

1400 – 1415: Discuss info collection/dissemination

1415 – 1430: Wrap up – review action items / decisions

1430 – 1500: Closing comments – (b) (6)
